

Musik rocks!

Music is a great way for students to connect with the language and culture of another country.

As well as Bach, Beethoven and Wagner there is a great variety of contemporary German music beyond Nena. Ranging from punk rock to hip hop, pop, soul, bands such as Wir sind Helden, Sportfreunde Stiller, Söhne Mannheims and Fettes Brot are hugely popular. The band Tokio Hotel is very succesful in France and the USA and is known in Australia.
