CHANGE YOUR MIND

Long Term Effects of a Reciprocal Student Exchange

Evaluation:

- Comparison between Germany and Australia
- German Participants: differences according to sex

CHANGE YOUR MIND

Long Term Effects of Reciprocal Student Exchanges

Driving Questions for the Research:

- Was the country of exchange re-visited?
- How strongly are the social contacts developed during the exchange still maintained?
- Would it be meaningful for the exchange organisers to develop a means of contact for past exchange students to access?
- Are there career and / or personal advantages to be gained from the exchange experience?

CHANGE YOUR MIND

Long Term Effects of Reciprocal Student Exchanges

Driving Questions for the Research :

- Are decisions made which without the exchange experience would not be taken?
- Does the return visit pose a learning experience for the exchange partners?
- Are there personality changes which can be directly linked with the exchange experience?
- What significance does participation in the exchange have in comparison with other experiences?

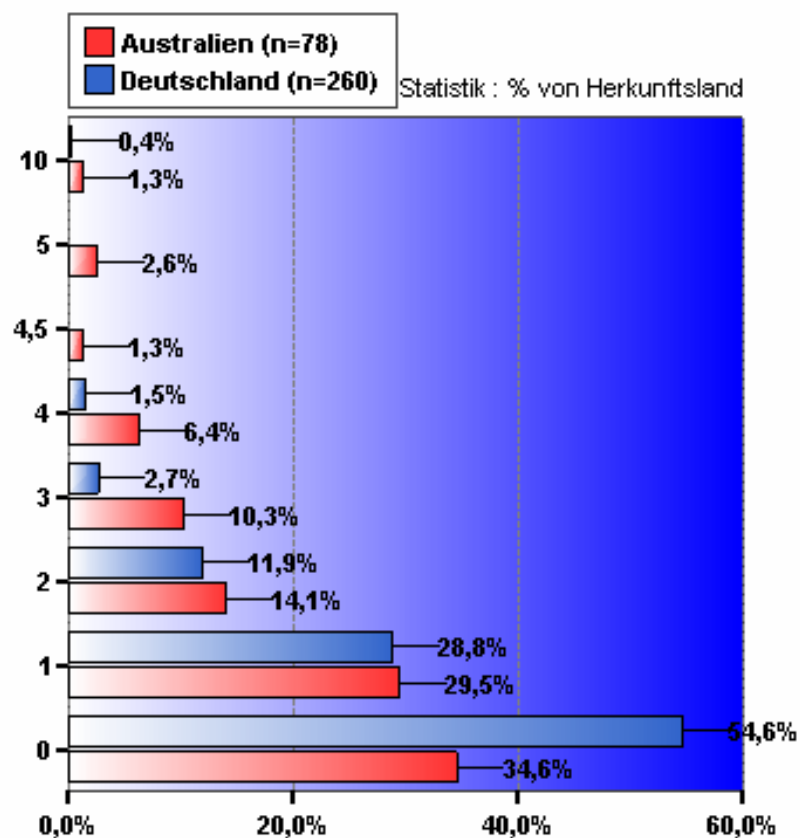

CHANGE YOUR MIND

(Mehrfachnennungen waren möglich)

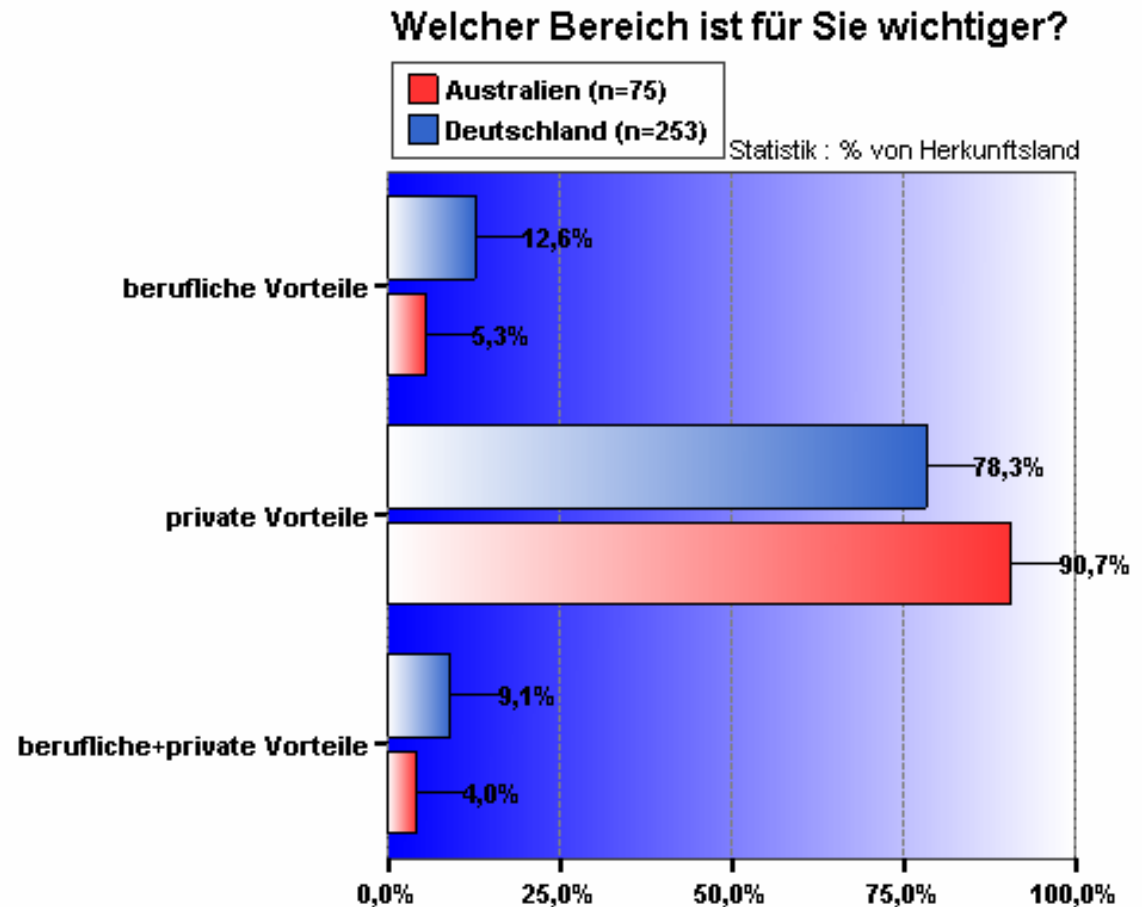

Anmerkung: "besondere persönliche Erfahrung", "größere Selbständigkeit" und "neue Freundschaft(en) im In-/Ausland" wurden aus den sonstigen Nennungen heraus decodet und waren keine vorgegebene Kategorie im Fragebogen.

Which area is more important for you?

Professional advantages

Personal advantages

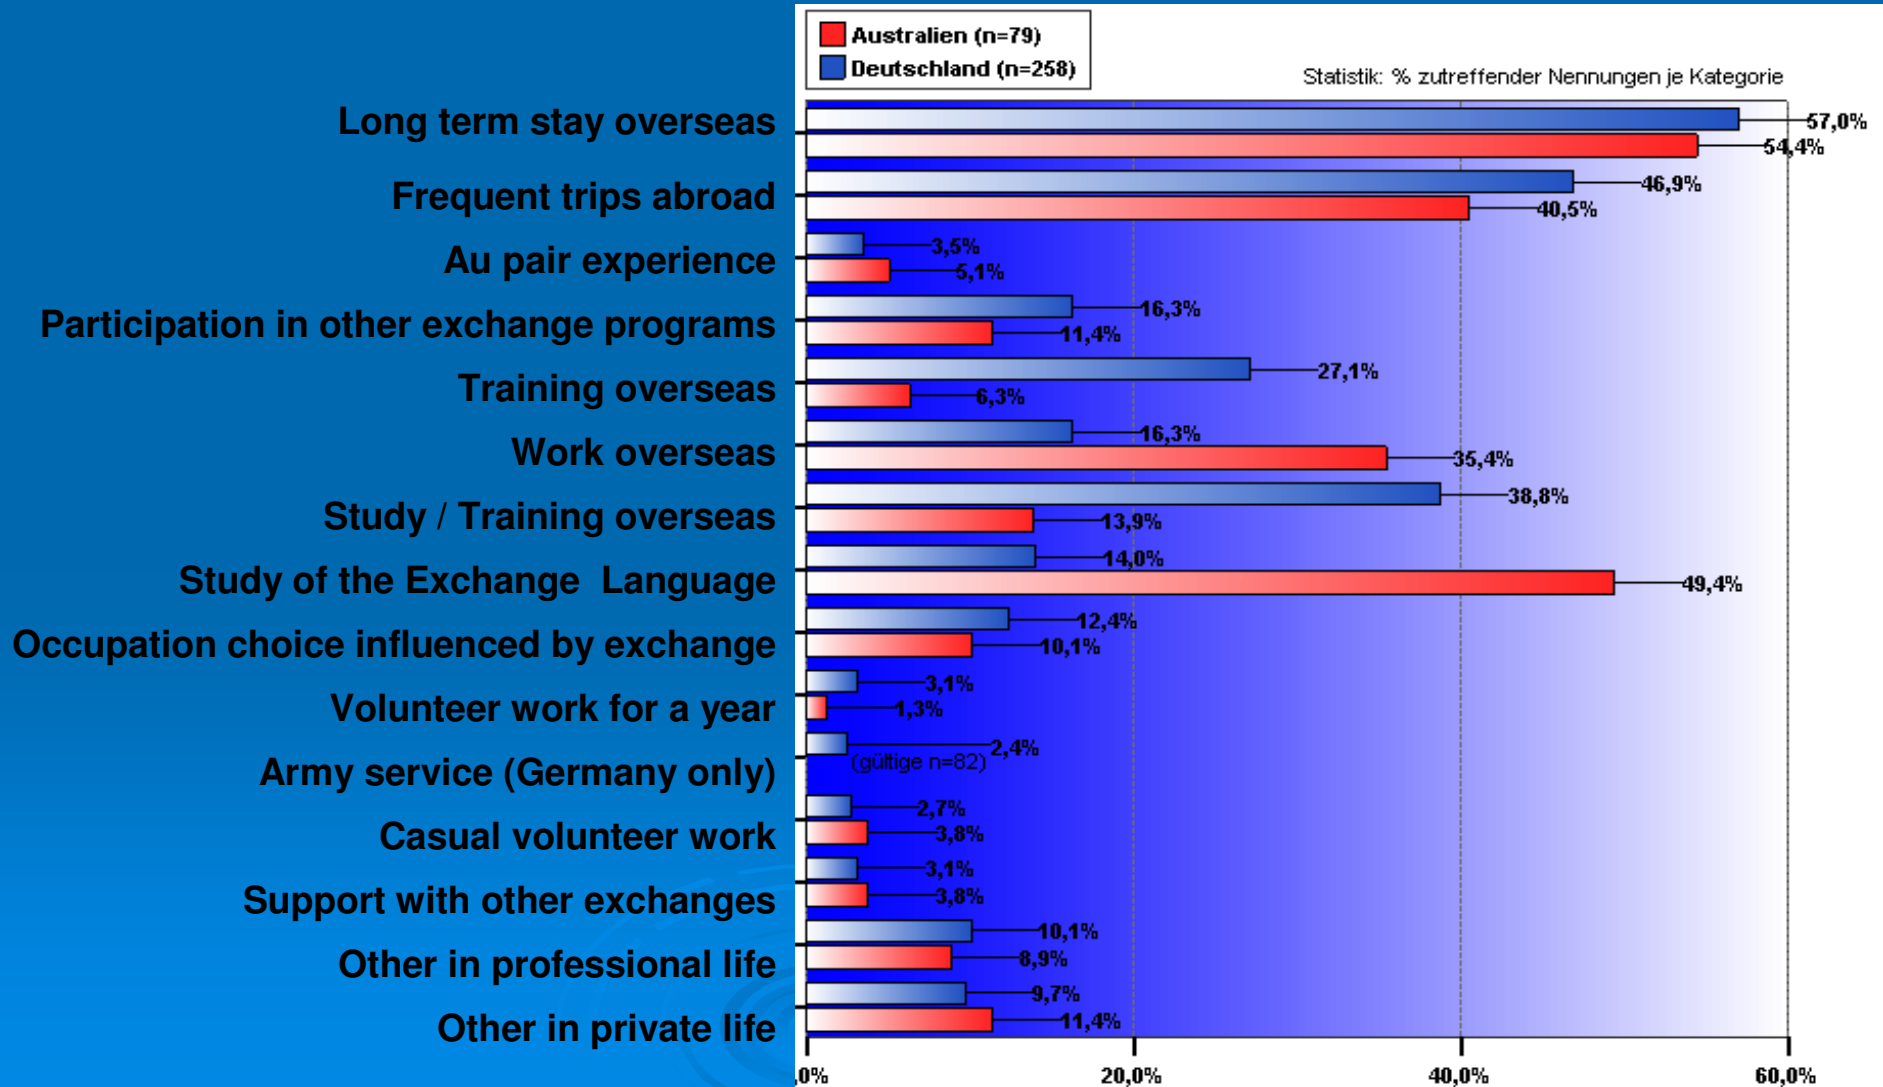

Career and personal advantages

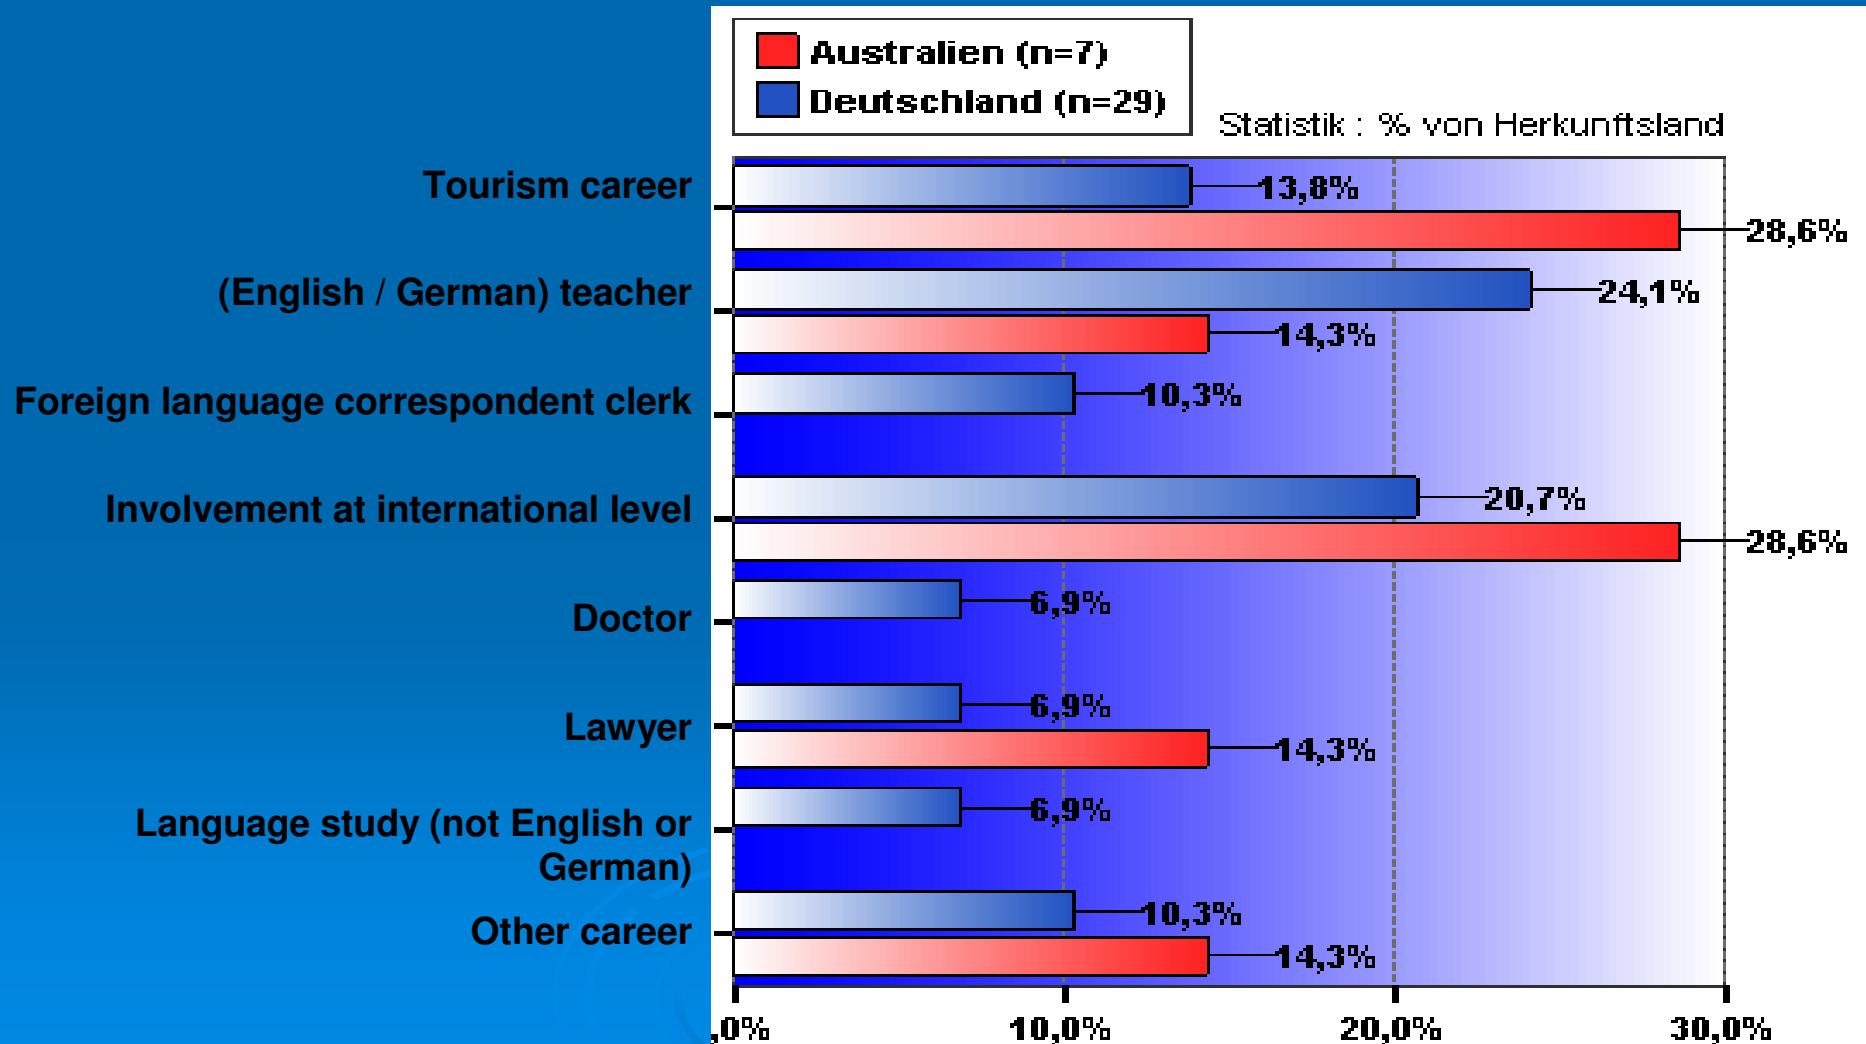

CHANGE YOUR MIND

Long Term Effects of a Reciprocal Student Exchange

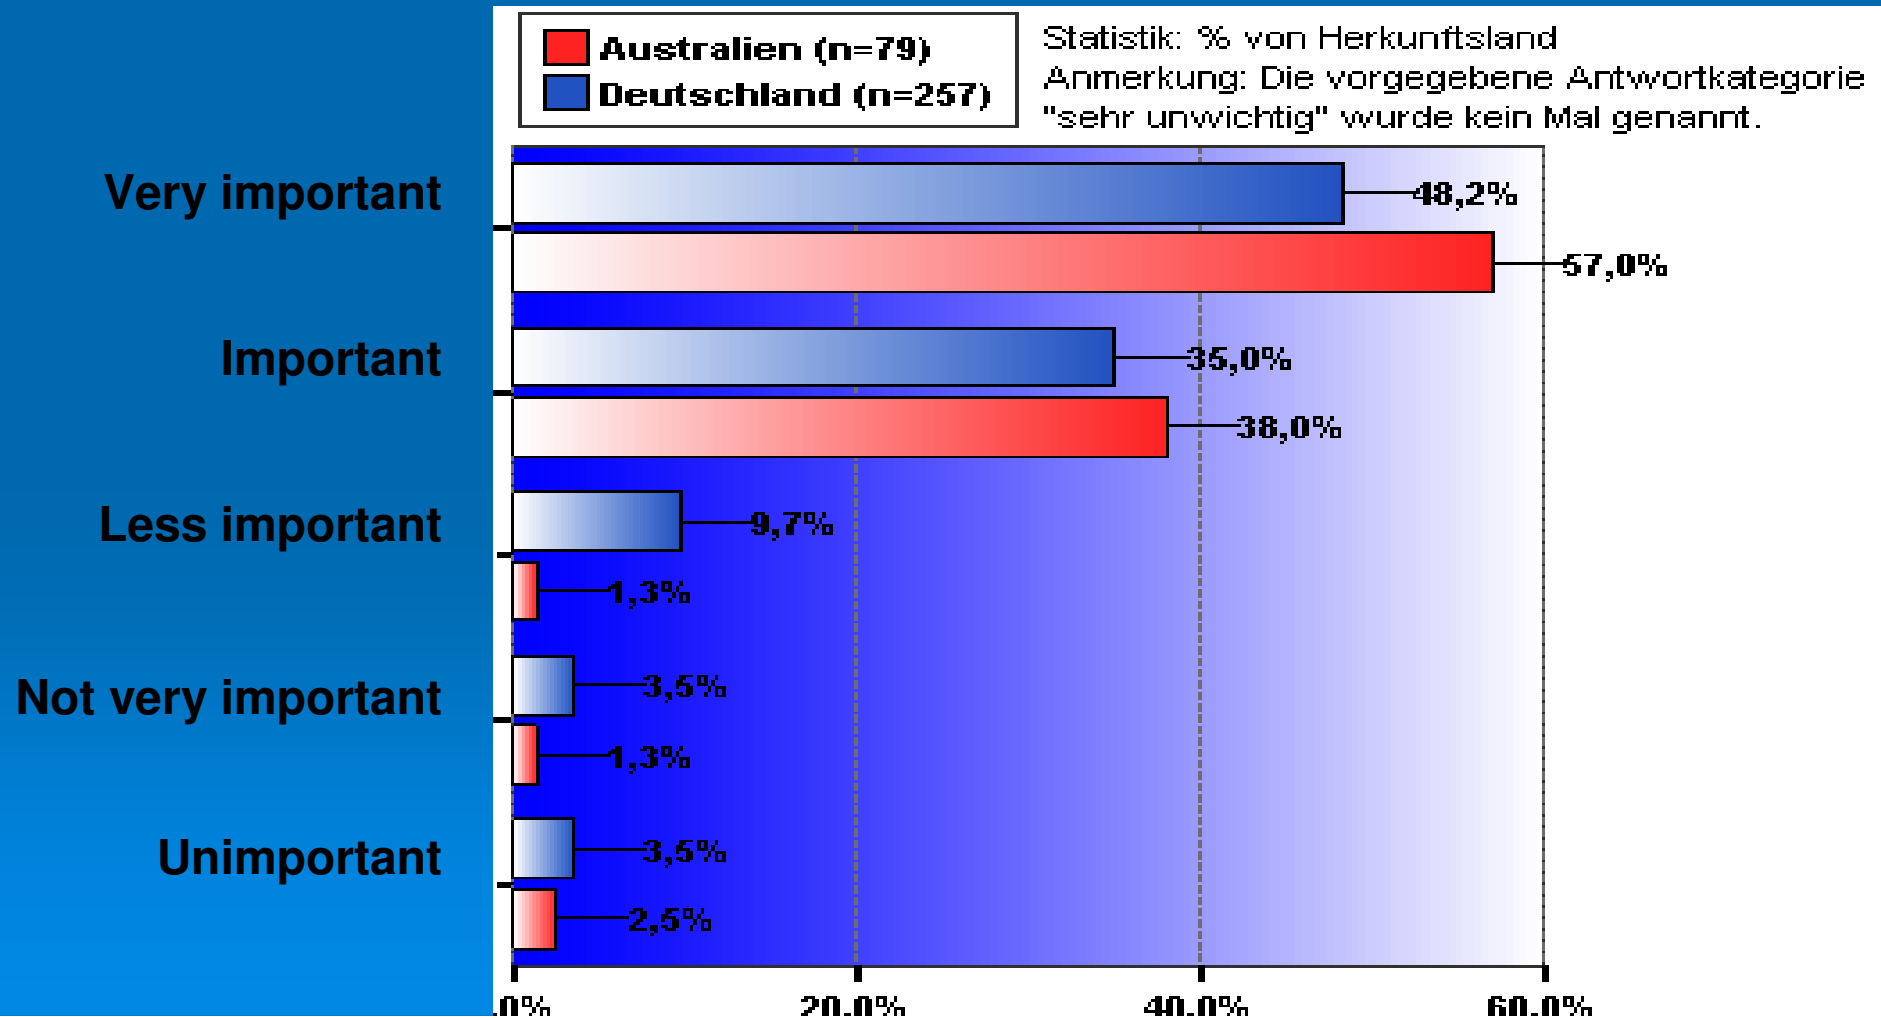

“If I hadn’t gone on exchange, I would NOT have undertaken the following”:
(multiple responses were possible)

Career choice, which was influenced by participation in the exchange

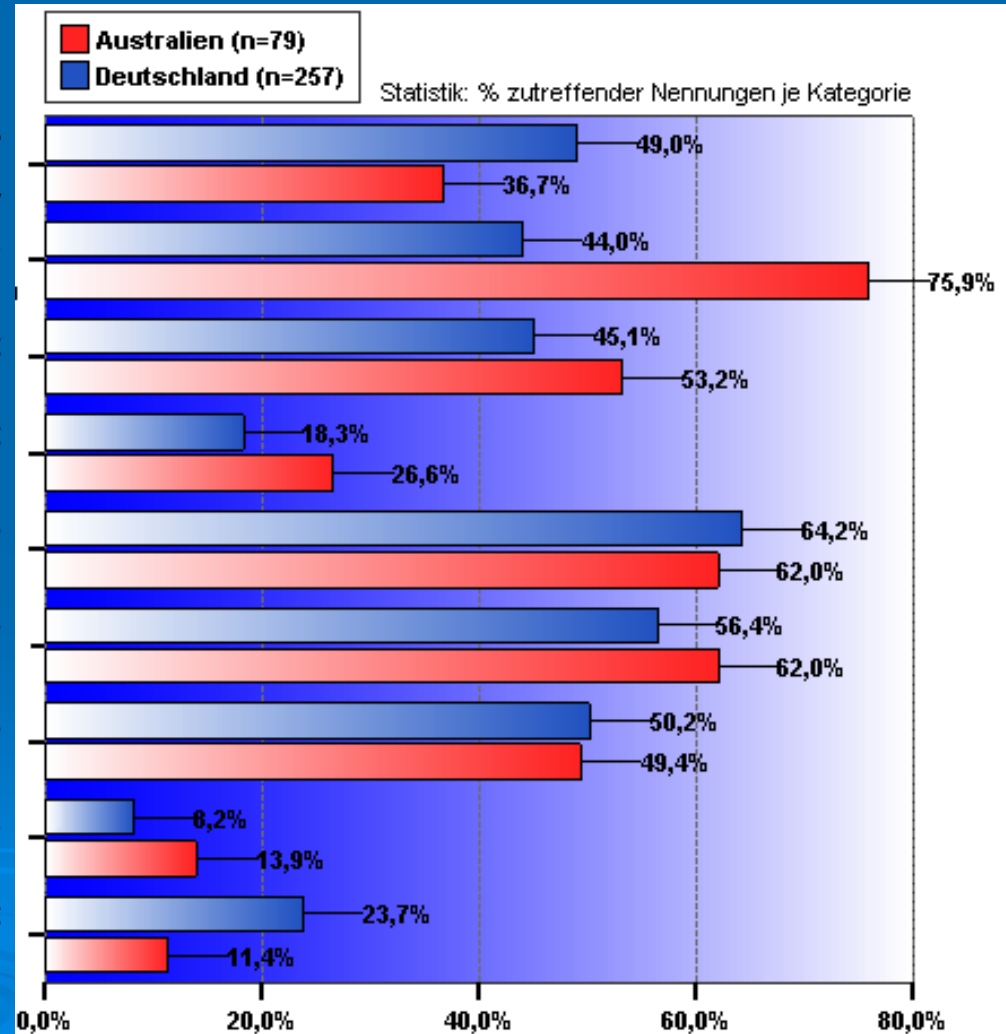

The importance of the hosting of the exchange partner in your country from your current perspective

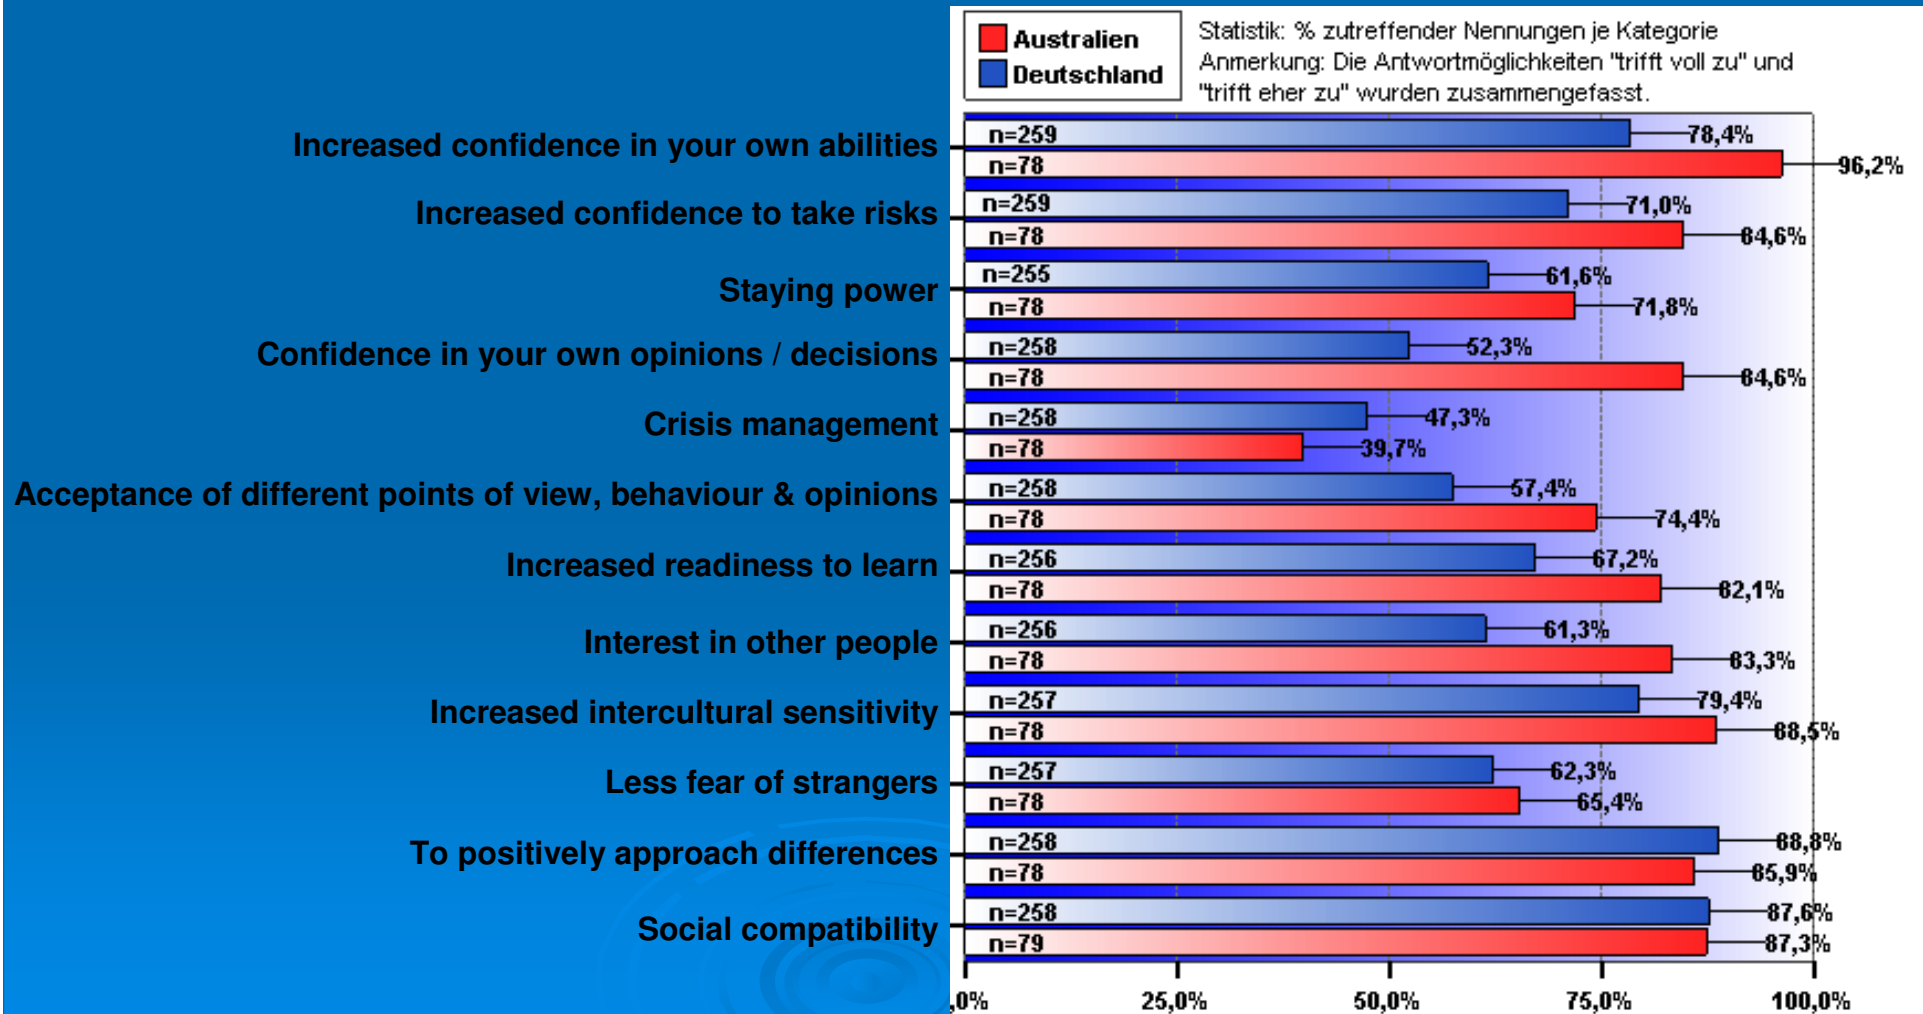

Care of the partner in your country as a learning experience

- Increased sensitivity towards people from other countries in my own country
- Increased understanding for other points of view
- Increased ability to cope with conflict
- Personal differences become less important
- Easier acceptance of diverse people
- Increased tolerance
- Greater sense of responsibility for other people
- More understanding for minorities
- My own pretensions are less important

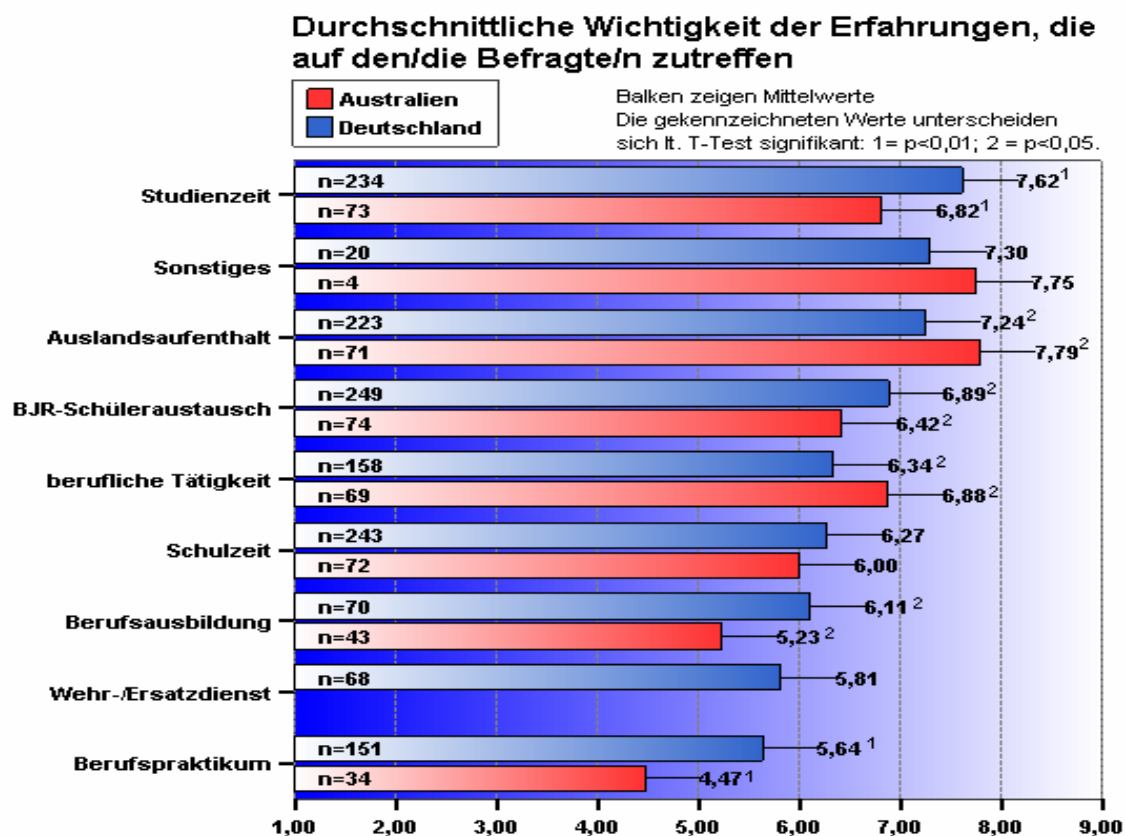

Agreement with personal changes from the exchange

Important experiences averaged according to participants' responses

- Years of Study
- Other
- Overseas trip
- AGTV / BJR student exchange
- Job or work
- School years
- Vocational training
- Military / community service
- Internship

Anmerkung: Da es in Australien keinen Wehr-/Ersatzdienst gibt, wurden hier von den Befragten nur acht mögliche Erfahrungen gerankt.
 Die Rangnoten wurden für die Auswertung wie folgt invertiert:
 deutsche Befragte: 9 ("wichtigste Erfahrung") bis 1 ("unwichtigste Erfahrung")
 australische Befragte: 9 ("wichtigste Erfahrung") bis 2 ("unwichtigste Erfahrung")

CHANGE YOUR MIND

Long Term Effects of a Reciprocal Student Exchange
