

## Results for the AGTV Klimt Competition 2011

The Association of German Teachers of Victoria Inc (AGTV) ran a competition in cooperation with the National Gallery Victoria for Preps to Year 8 to highlight not only the Winter Masters exhibition *Vienna - Art and Design*, but also the 150<sup>th</sup> Year of the NGV in Melbourne. We were very impressed with the quality of entries for this competition and thank the teachers for their interest. The artworks, *Elfchen* and *Steckbriefe* were creative and a joy to look at and read.

Entries were short-listed by an Education Officer – David Menzies - from the National Gallery Victoria. The artworks were then judged at the Network Leaders Conference and were displayed at the Victorian State Conference in Mount Eliza.

Every entrant will be awarded a certificate. A selection of short-listed artworks will be photographed and available for viewing online. The link will be on the AGTV website under Students: News and Competitions.

Congratulations to the prize winners, as well as all entrants in this competition. Thanks for the donation of prizes for the winners and participating schools from the AGTV, NGV and Austrian Tourist Office. All participants at schools are eligible to receive a Certificate of Participation.

NB: We are investigating an electronic option so a selection of the entries can be viewed online. We will inform everyone of that link when finalised.
