

Students from Bendigo Senior Secondary College, Bendigo South East College, East Loddon P-12 College, Crusoe College and Spring Gully Primary School have prepared activities to share with students from the other schools as a way of fostering cross school communication for the German Day 2015.

The program is the initiative of the Calder Regional Network of the Association of German Teachers of Victoria (AGTV), partnered with Bendigo Art Gallery.

It is anticipated that this program will grow to become an annual event, with more students finding out about why it is both important (and fun) to learn German.

Activities:

- Friedensreich Hundertwasser and Berlin Wall inspired building – group construction activity
- Bendigo Art Gallery trails
- German Expressionist art activity
- Singing, dancing and poetry
- German dictation
- William Vahland Bendigo trail
- Düsseldorf Cartwheel Competition
- Pretzel eating

Venues: Bendigo Art Gallery, Rosalind Park and Bendigo's Central Business District.

Enquiries welcome:
